**CELEBRATES GOLDEN WEDDING.**

On last Wednesday, October 11, Mr. and Mrs. Richard Howard celebrated their golden wedding. Their home at Columbia Park was beautifully decorated for the occasion. All present enjoyed a bountiful dinner served on the table around which their eleven children were reared. They were the recipients of many and beautiful presents from their children and others.

The following papers, which were written by the groom were read by their pastor, Rev. W. F. Womble, who conducted a short service and pronounced them husband and wife for another fifty years of happy companionship.

**Pleasant Memories of Fifty Years Ago.**

Fifty years ago today, my wife, then a blushing bride, stood by my side, gowned in white—a queenly beauty.

The groom, dressed in a white vest and a long-tailed frock coat (made by a country tailor), stood a proud and happy man.

The minister, a graceful and refined gentleman, made it a pleasant moment, while he

Tied the knot

On the spot.

This incident happily happened just fifty years ago today. The memory is like a pleasant dream.

**MORAL.**

How long the bride and groom shall dwell

This side the dark river

The living cannot tell

This side the dark river

They are now on the shore

This side the dark river

Where they will soon pass o'er

Beyond the dark river.

I am thankful the old bride and groom have lived to see this eventful day.

I thank you all for the interest you have taken in celebrating this day.

I sincerely hope each of you will live to see the fiftieth anniversary of your wedding day.

**RICHARD HOWARD.**

We are now seated around this old table where eleven children of our family have been seated during their childhood days, until they were grown men and women. Two of that number have been called away. Their seats have been made vacant for all time. They are resting above with their infant brothers, Grover and Dollie.

Let us be thankful and rejoice.

## Fleet School Victorious Over Christ School Eleven

The Fleet school eleven defeated the Arden team in a hard-fought game at the Fleet school Monday by a score of 9 to 6. The game was witnessed by a large crowd.

The first touchdown was made by Fleet school in the opening period, on a well executed forward pass. The game was waged up and down the field for two periods after that score was made, until it was tied at the beginning of the third period when a Fleet man made a fumble on the kick-off and the ball was recovered by a Christ school player who crossed the Fleet goal line in safety.

Later in the period Captain Howden of the Fleet team drop-kicked the oval over the bar for a goal from field from the twenty-five yard line. The game was contested warmly from that period but the Christ school team was unable to tie the score. Both teams played a clean, fast game. King at right halfback, Green at left end and Armstead at center starring on the defense for Fleet. Jones was the most successful ground gainer for the victors.

**Mrs. Jessie Morse Shreve Passed Away Thursday**

Mrs. Jessie Morse Shreve entered into rest, after a long illness on October 12. The funeral service was conducted in St. James church on Friday at noon. The body was sent to St. Louis for burial in the Morse family lot. Morse Shreve, a son of the deceased, accompanied the body of his mother to St. Louis. The sympathy of the community is extended to the son who has been parted from a loving mother and patient guide, and to Dr. Morse, who loves an affectionate sister and most able, energetic and enthusiastic assistant. It is due to the able assistance of Mrs. Shreve that the Morse Sanatorium is the excellent and successful institution that it is. From its beginning Mrs. Shreve was its head nurse and household manager. Mrs. Shreve was born in Tuscola, Ill., in 1872 and baptized into Christ church in the same place in the same year. She was confirmed here in St. James church in 1912. Mrs. Shreve was a consistent Christian and the loss of her sympathy and aid is felt and mourned by St. James' congregation.
